

TECHNOLOGY IN THE NEWS

In order to keep up with the tremendous amount of information in our ever-changing Technological Society it is important for us to continually research new information and developments.

To help us do this your assignment is to research and present information pertaining to the study of Technology Education.

You must submit: 15 newspaper, magazine articles or web articles from at least three different sources. You cannot have more than one submission from a source.

You must present: 9 newspaper, magazine articles, or web articles from at least two different sources.

You must complete a Tech in the News work sheet for each item you turn in. The submission must be relevant to the subject matter in this class. You will present your information to the class; as a part of the presentation you must provide the information that is on the work sheet, plus a summary of the submission.

This project is worth 100 points each 12 weeks so you must do 3 of your presentations and turn in five of your submissions each 12 weeks.

YOU MUST HAVE 100 POINTS EACH 12 WEEKS.

TECHNOLOGY IN THE NEWS WORKSHEET

Name _____ Hour _____ Date _____

Title of submission _____
